Emily is a top talent agent who rules the land of talk shows and reality TV. Whip-smart and brutally practical, she outmaneuvers all rivals...except in her personal life. Emily willfully ignores her CEO husband Doug's philandering in exchange for their glamorous one-percenter lifestyle, until a surprise pregnancy changes everything.

A TED-Talking business guru with a reckless streak, Doug embarks on an audacious relationship with Chloe, the stunning young receptionist at his market research firm. But Chloe has a secret: a volatile past she's desperate to forget. Their chaotic entanglement sets off a chain of shocking scandals, plunging Emily into a scheming fight for survival.

As they each try to fight their way to the top, there's only one question: How far will Emily go to protect her child and preserve her carefully curated life?
