Cinderella meets *The Cruel Prince* in this stand-alone fantasy romance about a human girl and her marriage to the prince of the fae.

She knew her hand in marriage would be sold. She had no idea a fae prince was the buyer.

Katria swore she'd never fall in love. She's seen what "love" means through the cruelty of her family. So when she's married off to the mysterious Lord Fenwood for a handsome price, all Katria wants is a better life than the one she's leaving. Feelings are off the table.

But her new husband makes not falling in love difficult.

As their attraction begins to grow, so too do the oddities within her new life: strange rules, screams in the night, and attacks by fae that Katria never thought were real. When she witnesses a ritual not meant for human eyes, Katria finds herself spirited away to the land of Midscape.

Surviving the fae wilds as a human is hard enough. Katria must survive as a human who accidentally pilfered the magic of ancient kings - magic a bloodthirsty king is ready to kill her for in order to keep his stolen throne - and her new husband is the rightful heir in hiding.

The power to save the fae is in her hands. But who will save her from a love she vowed never to feel?

***A Dance with the Fae Prince* is a complete, *stand-alone novel*, inspired by the tales of Psyche and Eros, as well as Cinderella, with a "happily ever after" ending. It's perfect for romantic fantasy readers who enjoyed of *A Court of Silver Flames* and *An Enchantment of Ravens*. *A Dance with the Fae Prince* features a slow-burn romance, swoon-worthy couple, and steaminess that ranges from simmering to sizzling.**
