When a brother-and-sister team uncover dangerous information hidden in an antique, they have no one to turn to but themselves in the first installment in a suspenseful new series by legendary, #1 *New York Times* bestselling author Fern Michaels...

At first glance, few would guess that Luna and Cullan Bodman are siblings. Cullan is efficient and serious while his younger sister Luna is a free spirit. When the two launch their furniture restoration shop/cafe--an offshoot of the family's longtime antique business--in an up-and-coming arts center, little do they know their unique talents may be their only defense in a matter of life and death.

When Luna gets a strange sense about a piece Cullan just acquired, the two find themselves uniting to solve a mystery that has far-reaching consequences--never knowing there are some who'll stop at nothing to claim what they believe is theirs. Despite their differences, Luna and Cullan know they can rely on each other--and this time, their lives may depend on it . . .
