He unleashed the darkness in her...but it might cost them both.

Billionaire Braden Black has one hard limit in the bedroom. He doesn't talk about it, and he doesn't engage in it. But when his lover, Skye Manning, begs him for it, he has to face facts—while he may be able to buy her anything, he can't give her this. Though he loves her desperately, he's starting to worry their relationship can't continue.

Skye Manning has fallen down the rabbit hole and become captive to her needs. When Braden asks her why she desires something so dark, and she finds she can't respond, she knows she'll have to come up with those answers on her own. She's willing, but she wants something in return—Braden's complete honesty about his past.

Because Skye is convinced her needs, his limits...everything is tied to this one secret.
