**Can an up-and-coming horror actress
and the makeup artist for her newest “creature feature”
turn on-set chemistry into the romance of a lifetime?**

Lilah Silver’s a young actress who dreams of climbing out of B-list stardom. She’s been cast as the lead in what could be her breakout performance...but if she wants to prove herself to everyone who ever doubted her, she’s going to need major help along the way.

Noa Birnbaum may be a brilliant makeup artist and special effects whiz-kid, but cracking into the union is more difficult than she imagined. Keeping everyone happy is a full-time job, and she’s already run ragged. And yet when the beautiful star she’s been secretly crushing on admits to fears of her own, Noa vows to do everything in her power to help Lilah shine like never before.

Long hours? Exhausting work? No problem. Together they can take the world by storm...but can the connection forged over long hours in the makeup chair ever hope to survive the glare of the spotlight?
