***Avatar: The Last Airbender* meets *Gladiator* in the conclusion of this exciting and fast-paced epic duology about two elemental gladiators whose powers could determine the fate of the world in an ancient war between immortals and humans—from Sara Raasch, the *New York Times* bestselling author of the *Snow Like Ashes* series, and Kristen Simmons, acclaimed author of *Pacifica* and *The Deceivers*. Perfect for fans of *An Ember in the Ashes*, *And I Darken*, and *The Winner's Curse*.**

Two gods are dead. The Mother Goddess has returned. War is rising.

Fleeing war-ravaged Deimos, Ash and Madoc sail across the ocean to their only possible allies: the water and plant gods. But when Anathrasa attacks on the way, Ash leaps to the defense—by using a power she didn't know she had.

When Madoc made the fire and earth gods mortal, he inadvertently transferred their magic to Ash. Now, if Ash can get energieas from the other four gods, she would be powerful enough to end Anathrasa once and for all.

But not all the gods want the Mother Goddess defeated. To stop her, Madoc will have to become the obedient son his mother always wanted, and Ash will have to take a merciless place among the gods.

To defeat an immortal, Ash and Madoc must fight like gods—even if it means sacrificing their humanity.
